

THE MONTICELLO 1942

Memorial Commickal

ALMA MATER

To the high ideals that thou hast
called us

We pledge allegiance strong and
true;

And own a love that e'er will
deepen

Thomas Jefferson, for you.

And as we look into the future,

What e'er our destinies may be,

O, Alma Mater, we will cherish

Fond memories of thee.

We love thy teaching and tradi-
tions

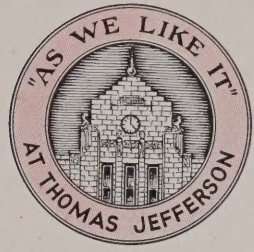

The things no books can ever give,
For thou hast shown a deeper
meaning,

Thou hast taught us how to live;
And we are glad to be thy child-
ren,

To toast thy future worth and
fame,

So sing we now to Thomas Jeffer-
son,

God's blessing on thy name.

The 1942 Monticello Presents:

Thomas Jefferson as we like it: the noisy hub-bub in the cafeteria at lunch time; the bus-loads of students swarming to their studies each morning; friends gathering on the front steps after school; the rush in the library when book reports are due; the feeling that surges inside us when we hear the Alma Mater;

The faculty, their earnestness combined with a sense of humor, and their loyal friendship welcomed by students; the house staff, always on the alert to keep the school running smoothly;

The building, standing white and stalwart in the sun, surrounded by rich evergreens; the new mural on the library wall; the radio system, filling the air with messages and music.

This is our Alma Mater as we like it, and as we shall remember it.

THE FACULTY

DID YOU KNOW: That members of the Tee-Jay Faculty have attended over forty different colleges and universities? Columbia University leads, with the U. of R. a close second. From the University of California, to Middlebury College in Vermont from the "Early American" College of William and Mary to the European universities of Munich and Dijon, the best institutions in the world have contributed to Tee-Jay.

DID YOU KNOW: That the Faculty boasts seventy-one college degrees? In addition to the Bachelor of Arts and Bachelor of Science degrees, there are thirty Masters of Arts.

DID YOU KNOW: That nearly twenty different honor fraternities are represented on the Faculty? These include language, science, history, and other special groups, and, of course, Phi Beta Kappa.

APRIL '41 — ROBERT TAYLOR HEADS JUNIOR PRODUCTION. Third Yearmen presented their annual Junior Stunt Night, entitled "Nite Klub Daze," directed by Robert Taylor (not of the films). Mary Ella Padgett brought thunderous applause with her vocalizing of "Let's Get Away From It All," and two jitterbugs, Helen Cotman and Owen ("Termite") Marrin, nearly stole the show. Another popular feature was Edgar Bennett's boogy-woogy piano.

MARCH '42 — SENIORS LEARN OF COLLEGE LIFE. A series of discussion groups was conducted by Miss Mottley for the benefit of students who wanted to learn more about college.

"AS WE LIKE IT AT TEE JAY"

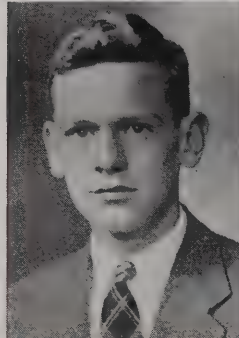

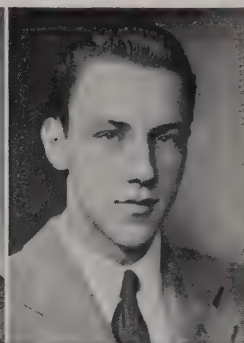

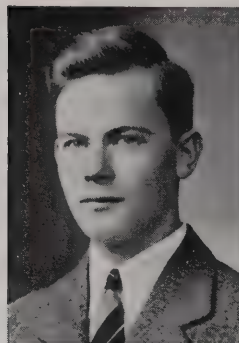

MARCH '42 — AWARDED TROPHY. Clarke Jones, captain of the Tee Jay basketball team, received the Slavin Fowl-shooting Trophy for the second consecutive year.

MAY '42 — SENIORS HOLD ANNUAL PICNIC. The Seniors, undaunted by the rubber shortage, held their annual picnic. The get-together was a big success and it was hard for the seniors to realize that their school life was coming to an end.

The fundamental aim of the Senate is to represent the students' wishes and opinions and to form a more cooperative student body. During the current year this executive group has enlarged the use of the Point System, which distributes various offices in the Thomas Jefferson organizations, giving more students an opportunity to participate in school affairs.

It is 3:20 — room 121. "The meeting will please come to order." The House of Representatives is in session, as on all alternate Mondays. Roll call brings a response from each home room representative, who reports any question or suggestion from his or her home room group.

Ways to benefit the school and to help in any way the local, state, and national governments constitute the regular business of the House. The representatives carefully record all discussions so as to inform their home rooms of what has been done. "If there is no further business, the meeting is adjourned," says the chairman, as the most popular fixture in school indicates 4:00 P.M.

Three hundred students! No other committee in school can boast of so large a membership! These boys and girls willingly give part of their recesses to keep order in the cafeteria and make it more attractive. The lines are kept straight and orderly, are taken to prevent noise and confusion as far as possible. Members see that all trays are carried to the front and tables are left neat. The purpose of the committee is to help students to make this part of their school life pleasant and enjoyable.

There are two divisions, the hosts, under the joint leadership of David Richardson and Pat Buchanan, and the hostesses, headed by Margaret Bear. The captains are distinguished by arm bands, and other members wear buttons or ribbon badges with the letters C. H.

Weekly meetings are held, at which assignments for duty are given the members, and special instructions are given if necessary.

Each division of the committee is sub-divided into the ranks of ordinary members, captains, and executive chairmen. The members advance according to their terms of service, and new recruits are never lacking. Each member works every other week, and committees are so organized that one group of students is on duty the first half of recess and another group the second half. At second recess an extra group serves when students come to lunch from fourth period study halls.

CALENDAR OF EVENTS

LEFT TO RIGHT: Frances Wingfield, Betty Bayliss, Mildred Chappell, Jeanne Fitzgerald.

"Slips, please?" asks a Library Committee member, as each student comes to the library. The committee's job is to collect the library slips at the beginning of each period and to straighten up the library at the end.

The Bulletin Board and Calendar of Events Committees have but one purpose, keeping Tee Jay Students informed of events in the future. The Calendar of Events is a weekly list of activities posted by the committee. The Bulletin Board Committee keeps the school's six bulletin boards up to date.

A visitor's first contact with the school is often through an attractive girl at the reception desk. She gives information to the caller and if necessary shows him where to find the person he wishes to see. The guidance department also needs the help of one or more students at each period, to run errands, help with the files, and do other necessary tasks.

The General Utility Committee is devoted entirely to the welfare of the school. Every year there is a clamor for positions on the group because it affords more opportunity to run errands and see people than other committees. Some one is on duty in the infirmary at all times when needed, and two students serve in the office during each period, to take messages, look up information, and be of assistance in any other way possible.

Keeping order in the Recreation Hall while others are enjoying their lunches or otherwise amusing themselves is the job facing the members of this service committee. The huskier boys are used to keep people out after the doors are closed.

The purpose of an honor study chairman is to preside over a study hall composed entirely of students who have pledged themselves to coöperate with the chairman without the presence of a faculty member. This year the honor studies have been conducted in fine style and there have been more applications than ever before.

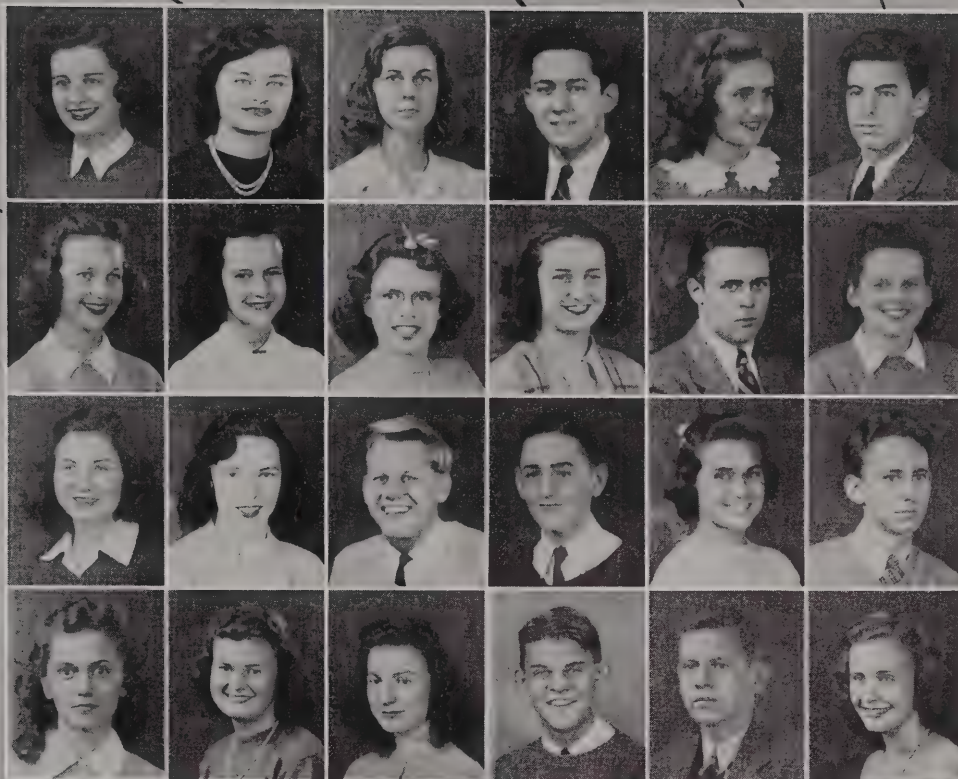

Quill and Scroll

Quill and Scroll initiation is one of the beautiful ceremonies of the year. Initiates, who have worked on school publications and have been recommended by their advisers and passed by the National Secretary, are seated on the stage.

The candles of truth, loyalty, friendship, leadership, cultural attainment, and opportunity are lighted. The golden scrolls are pinned on the initiates, and they all pledge to keep the light of these fine qualities forever burning.

To those seniors who are outstanding in character, leadership, scholarship, and service, recognition is given in the form of membership in the National Honor Society. Tapping is held at a senior assembly once each term and is considered one of the most beautiful services of the year. Members coach students, sponsor "Rat" home rooms, and this year held a get-together for students from out of town and private schools.

In its effort to maintain student interest, the JEFFERSONIAN has made many changes, including the new name plate and the use of color. The paper this year sponsored an Unsung Hero Contest in which previously unknown students were chosen for honorable mention and awarded prizes. The first week of the spring term was sponsored by the Senate and JEFFERSONIAN as a "Hello Week" with identification tag souvenirs and a tea dance in the gymnasium.

"Gimmel Gimmel" is the theme song every two weeks of these Jeffersonian nickel-snatchers. Their job calls for a mixture of sales ability, not a little personality, and, above all, that die-hard determination to get the cash. They evidently have what it takes to keep the paper rolling.

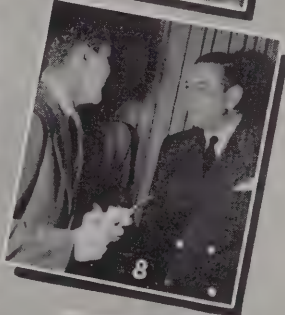

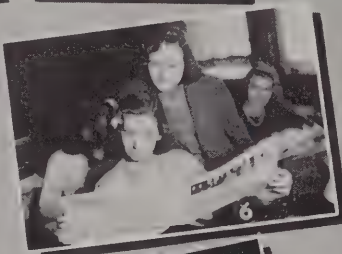

The Jeffersonian, financed entirely through advertising and subscriptions, expends any surplus cash in improving the paper. This year it has been able to add a special defense issue in two colors, a six-page edition which included a complete homeroom directory, and one issue with its own rotogravure section, in addition to eleven regular four-page issues.

Copies of the paper are mailed regularly to many alumni, and exchanges are made with more than fifty other schools in different sections of the nation.

The Jeffersonian

1. Must be a good issue, from the pleased looks of Margaret Bear, editor-in-chief, and C. B. Fortna, literary adviser. 8. Guy Lombardo, orchestra leader, is interviewed by Buddy Gans. 4. The Queens were in the counting house, counting out the money — Miss Sanders, business adviser, supervises the day's collection by Sidney Hill, Barbara Hervy, and Lucy Harvie. 9. It's Friday afternoon, and Anne Skinner, Heth Owen, and Patsy Jones of the circulation staff, prepare to mail papers. 7. Enthusiasm personified — that's the captains of the circulation staff. 2. Action, lights, camera! Staff photographer Ralph Dombrower takes a self portrait. 11. The door of opportunity opens for sports writers Tina Ryland and Barbara Hervy. 3. Smiling down from on top of the world (Thomas Jefferson) is Sidney Hill, circulation manager. 12. Ah! Bliss! Care-free relief for Charlotte Thomas, of the literary staff, after the paper has gone to press. 5. Twyla Jo Newhouse is sitting pretty with her position as assistant sports page editor. 10. Anne Burt takes time out from her duties as an assistant editor to smile at the photographer. 6. "These typographical (?) errors!" moan Anne Skinner and Johnsie Loftin of the literary staff.

The Jeffersonian

1. It's an ill wind that blows no food for reporters Connie Adair and Pat Miller. 2. Allan Cavedo, staff artist, and C. B. Fortna. 7. 2nd page editor Donald Pippin looks over the latest issue. 11. Sharpening pencils for a hard afternoon's work on the literary staff are Frances Bleight and Libby Keeton. 6. Pat Rafnell of the literary staff is bearing up well under her duties — maybe she's just heard a choice bit of gossip! 5. Hard at work (!) here is Phil Jeffries, publicity manager. 7. A busy business staff at work arranging ads for the next issue. 10. Portrait of two feature writers ready for work — Hilda Steinberg and Anne Beverly Ryland. 3. A Tee-Jay triumph puts sports writer Basil Marrisett "on the beam." 10. "Two heads are better than one" — so say Ben Johnston and Edgar Bennett, of the literary staff, writing a headline. 12. "Peck, peck," pecks David Richardson, managing editor, as he types a story. 4. Waiting at the bird bath, in hopes a little bird may tell them some news, are Catherine Avery and Virginia Beavers, writers.

The Jeffersonian belongs to three press associations and this year sent delegates to two conferences. It has won "First Place Medalist" in Columbia Scholastic Press Association, "Honor Award" in Southern Interscholastic Press Association, and "First Place" in National Scholastic Press Association. The editor-in-chief, Margaret Bear, was chosen as honorary editor of "Student Life," a National Magazine.

Have you ever wondered what those noises were, coming from room 334 at period 4? Those, dear students, were creative noises — for that is the office of the Monticello Literary Staff. With designs from the art staff, pictures, and write-ups to represent all the activities of the school, the literary staff produces a book, living with the events of each year; one that will make our hearts beat faster as we turn the familiar pages recalling many happy hours, long after high school days are over; one that will show Thomas Jefferson as we saw it — as we liked it.

"Where's that ad from Finkstein's?"
"Where's Sue Brown's picture appointment?"

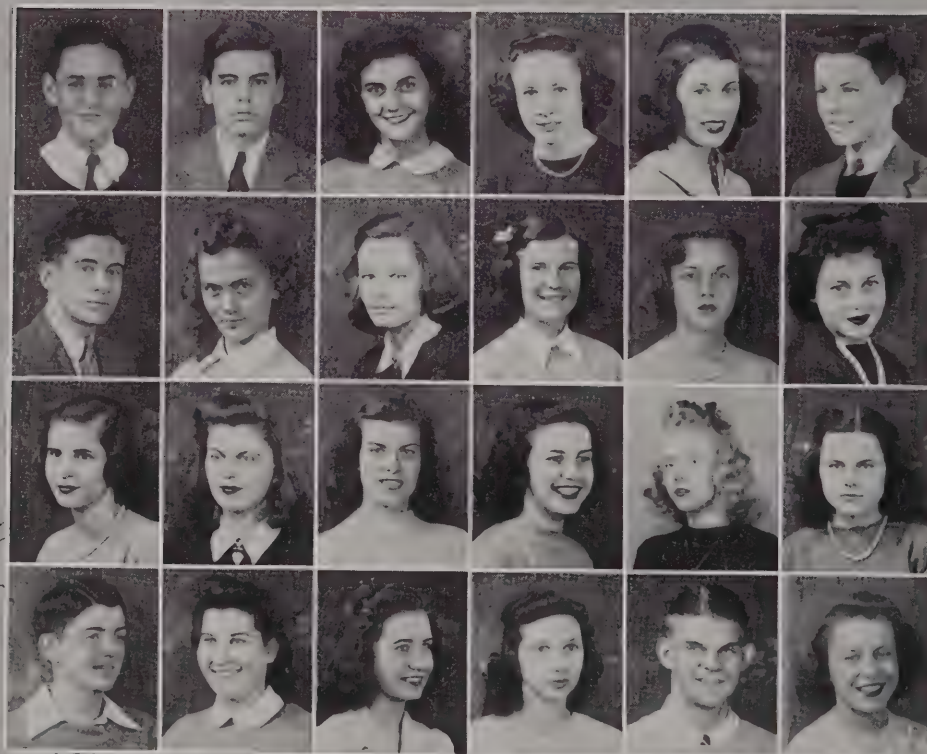

The air in room 107 is thick with such inquiries. For this room serves as the fourth period home of the three groups of the Monticello business staff. Here, under the watchful eye of Miss Gray, picture appointments are made, club contracts handled, prospects for ads assigned, and the advertising pages arranged.

Do you have a creative imagination? Can you write original stories or poems? The Declaration, the semi-annual magazine of Thomas Jefferson, furnishes an opportunity to publish your writings. Students in the creative writing class constitute the staff and contribute poems, essays, and stories.

To understand the toils, troubles, and pleasures of the business world, the club, each year, visits a local business house.

The Thomas Jefferson Forum is open to all students interested in the study and discussion of current problems. This year Latin American relations are particularly being stressed. Giving an assembly program and several meetings open to all students, the Forum has become one of the most popular educational organizations at Tee Jay.

Some of the activities of the club are sewing for the Red Cross, making jewelry, and having talks on subjects pertaining to economics.

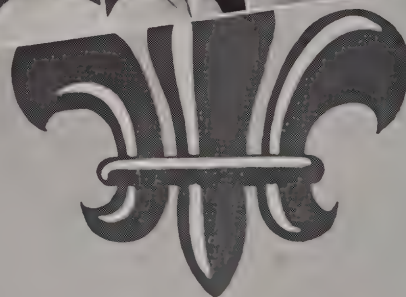

Junior French Society

Bonjour! Parlez-vous français?

The aim of the Senior French Club is to create a better understanding of French by developing a different attitude toward it out of class. The bi-weekly programs, which are conducted in French, are sometimes serious and sometimes amusing. Such things as playing American games in French and other things not done in a regular class go to make the program interesting as well as instructive. The year is topped off by a big banquet shared with the Junior French Club.

Sodalitates Latinae

FILIUS ET FILIAE DEI

CLARI ROMANI

Shades of Caesar Augustus! If you should happen to meet a Roman citizen in the hall, chances are it will only be one of the members of Chapter II, the Latin 5 class, who are named after prominent Roman dignitaries. This "modern education" even makes it possible for you to stumble upon a Roman god or goddess, represented, of course, by the Latin 6 class, Chapter I.

Not satisfied with the regular trials of algebra and geometry, a group of students, selected for mathematical ability, meet after school to explore the deeper mysteries of the slide rule, sextant, and surveyor's transit. In short, our purpose is to get a new "angle" on this business of mathematics.

To foster an active interest in all phases of science is the aim of the Science Club of Thomas Jefferson, which is a member of the Virginia Academy of Science. Groups on Photography, Geology, Chemical Analysis, Microscopic Research, and First Aid have been attended by the members. Variety is provided with outside speakers on modern science in everyday life and warfare.

A Victory Dance was the chief social event of the year for Chapter One. At their weekly meetings the members are frequently addressed by interesting speakers. The group has made generous contributions to the Junior Red Cross, Christmas charity, and the Community Fund. Some of the boys prepared for defense work by learning how to combat incendiary bombs.

The second chapter of the Thomas Jefferson Hi-Y, in addition to its annual series of dances and outings, has done a great deal of defense work. These include contributions to the war relief drive and services as air raid wardens. The club also has made a survey of the bus riding students of T-J in order to provide a more satisfactory means of transportation to and from school.

Chapter Three of the Hi-Y is composed of the youngest members in Thomas Jefferson of this nation-wide organization, whose primary purpose is the highest physical, moral, and spiritual development of high school boys. Two outings to Camp Richmond indicate the way the physical side is cared for. Inspirational meetings with helpful speakers do much to encourage the other phases.

This year the number of Girl Reserves was so large that three groups were formed. Triangle I is composed of seniors, with Miss Marion Smethie as sponsor. Triangle II, the junior club, is sponsored by Miss Elizabeth Beaman. The sophomores, Triangle III, have Mrs. Mosselle Bennett as sponsor.

The glow of candles, soft organ music, beautiful flowers, reverence of a church, are symbols of the inspiring Recognition Service which binds the Girl Reserves of the city together and teaches every member the true purpose and ideals of the club.

Under the direction of Mrs. Bennett, knitting for the Red Cross was started in the Girl Reserve Club. One day a week was set aside in which those who needed help could be aided by Mrs. Bennett and girls experienced in knitting. Sweaters, caps, socks, and gloves were made which were greatly appreciated by the Red Cross.

Selling Defense Stamps has been one of the main projects of all three clubs this year. Working in shifts, the girls have spent many afternoons and Saturdays selling stamps at a downtown store. Others have worked in the office of the British War Relief. These girls were very helpful in answering phones, taking messages, and typing. Some also did sewing for British children.

The Girl Reserve Club is the junior branch of the Young Women's Christian Association. It is a fellowship of girls all over the world, joined by their earnest and sincere purpose to promote a higher standard of life. Through this fellowship the girls gain a broader outlook and wider sympathies.

Naturally social events are of great importance. In the fall the Girl Reserve Dance becomes the talk of the school set. Everyone thinks of nothing else for months. Then comes the banquet held in the spring for members in good standing, with a dance following. Both of these are held at the Y.W.C.A.

The three Triangles hold their regular meetings separately, but for special occasions they meet together. At such times the officers of the three groups take turns in presiding. An unforgettable joint meeting was the one at which Mrs. Jonathan Day spoke on Hawaii after the attack on Pearl Harbor.

This staff of dependable girls assist the librarians in their work. Each girl devotes one period a day to repairing and shelving books and supervising the borrowing and returning. These duties help prepare the girls to be clerical workers or librarians.

Click! Click! Click! Knit two, purl two. Students are knitting sweaters, caps, scarfs, and socks for the Junior Red Cross Chapter, to be sent to the war-torn countries of Europe as well as to the army camps here at home. In addition, the Chapter has provided clothing, lunches, transportation, and medicine for fellow Tee-Jayites.

"Angels of mercy, there's so much to do." And the twenty members who compose the executive committee shoulder their great responsibility of the promotion of Red Cross activities in the school by making contacts between their organization and the homeroom representatives and teachers, explaining Red Cross projects, and determining the attitude of the student body toward them. Their duties are outlined at frequent meetings with the sponsor. Thus their work and "their mercy goes marching on."

"Sprechen Sie Deutsch?" That is the aim of the club formed by the members of the only class in German in the public schools of Virginia. With Miss Thelma Bryant as sponsor, they meet every other Monday during the sixth period. They discuss the customs, characteristics, and history of pre-war Germany, in the Tee-Jay students' own peculiar brand of the German language.

It generally gives two concerts a year, one with the glee club. It participates in state and national festivals and has never been beaten or tied in State Competition.

The Orchestra

For many years the Thomas Jefferson Orchestra, under the direction of Mr. Frank Wendt, has entertained the student body with its rapidly growing repertoire. This year the orchestra gave one of the most outstanding programs ever presented. The student body will long remember RHAPSODY IN BLUE, with Ben Johnston as soloist.

"The 'Singing Forty' girls contributed interest to your contest of March 20. They sing with freedom and nice interpretation, and their stage deportment added much to the effectiveness of their singing."

W. H. SHUTTE

The Singing Forty Club, an all girls' group, was organized in 1940. To be eligible for membership in this organization, one must have been trained in a voice class. These girls do program work for the school and accept concert engagements elsewhere.

This year the Jeff-Cleff Club, with Miss Wedmore as sponsor, started out under a new constitution. The Club has been most successful in achieving its purpose, which is to stimulate the love of good music. The programs are planned to help members understand the classics. One of the outstanding programs of the year was the performance by George Harris of his ballet.

The Faculty-Varsity game was one of the best ever held, for as an added attraction Charles Boyer and his orchestra played — for the teachers' benefit, of course. The June house party for the members and alumni is the climax of the year.

Have you ever wondered who those big, brawny young men are who direct our air raid drills? They are members of the Monogram Club, whose membership is limited to those athletes who have won varsity letters. Sponsored by Mr. Fugate, this organization has arranged its activities so that they fit into the present program of cooperation with defense officials adopted by Thomas Jefferson.

MORRISON 0

In the season's opener a high-geared power and aerial attack engineered by the 1941 edition of Thomas Jefferson's grid representatives crushed Morrison's fighting farmers to the tune of 44 to 0. Perfect blocking and tackling enabled the Jeffs to score freely in every period. In the final half, reserves carried on the rout in fine style. Itchy Basto led the scoring with two tallies.

THOMAS JEFFERSON19

A dazzling exhibit of passing in the early moments and the conversion of a fumbled kick into a score spelled

victory in the first test against strong opposition. On the opening kickoff a fumble by Glass was recovered by John Wood. One play later Ervin Baughan, triple threat star, hurled a thirty yard pass to Jones in the end zone. Later Jones recovered a fumble on the Lynchburg 16. Again Baughan rifled a pass to him to record the second Jeff score. In the last half co-captain "Sugar" Ralston registered the final six-pointer on a 20 yard drive through left guard. Sparky Blancks, Lynchburg fullback, plunged over the Jeff goal in the final period to save his team from a whitewash.

An injury ridden Jeff squad journeyed to Roanoke on November first to receive its first defeat of the 1941 season. In a thrilling second quarter the Roanoke Magicians scored all their points to spoil the Presidents' unbeaten record. Harry Walton, Magician star back, scored the first touchdown on a seven yard gallop through the line. A stellar line caused the next tally. Dink Engleby broke through to block one of Ervin Baughan's punts. Chasing the ball back across the goal, Engleby fell on it for the second touchdown. The Jeffs only score came in the fourth quarter on a pass from Baughan to end John Jamgochian. "Jam" took the ball on the Roanoke 30 and raced over for the score.

Belt Liners Defeat
Crimson Wave 12-0

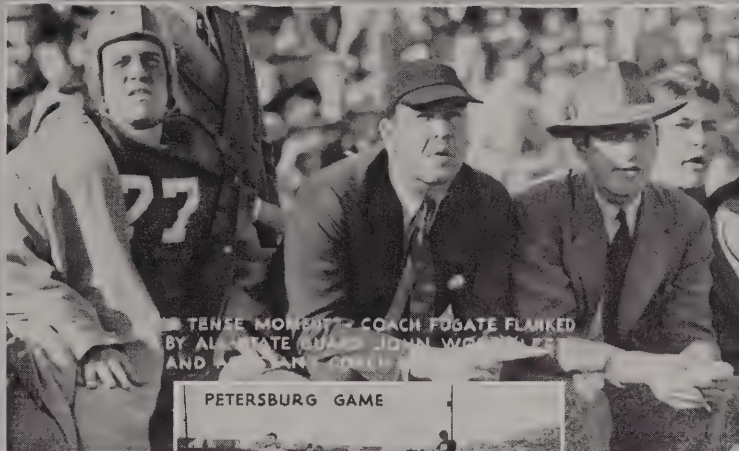

With no delays marked up on their record to date, the Tee-Jay gridlers will meet the Crabbers of Hampton High School tomorrow on the Thomas Jefferson field.

Hampton defeated Tee Jay, 1939, 14 to 0, but the Belt Liners got revenge in 1940, handing Hampton a 13 to 0 setback. The Crabbers, with one victory, two defeats, and one tie, have not had as good a record this season as the Jeffs, but the game is expected to be scrappy.

T-J Ties Granby

Last Saturday in Norfolk the Presidents held a strong Granby High School eleven to a 6 to 6 deadlock, but the Crabbers defeated them last Friday night. This was a repetition of the score of last year's Tee Jay Granby game.

Jeffs Down Saints

Before a crowd of 2,000 fans at the home field last Friday, T-J met an unexpectedly strong Saint eleven, and only after a real fight overpowered the visitors team to the tune of 14 to 0.

The flow of the contest developed into a tawdry duel between Edwin Baughan of T-J and the opponent's Harry Brown and Sam Connelley. The third quarter Bill Wood placed the Belt Liners in scoring position, and in the 15. In the next play Baughan passed to Jack Chandler, who caught the pigskin well over the goal line. Chandler

Of John Marshall

In one of the most colorful and gaudy football places of the Richmond scene, the Tee Jay Fugateers and the John Marshall footies will meet in their annual battle for the championship at the city stadium tomorrow at 2 p.m., before an expected crowd of 2,000.

According to the rival coaches, the two teams are in the best physical and mental condition, as there are no injuries or over-confidence in either camp.

Defend Records

The Jeffs, with six wins, one defeat, and one tie to their credit, are out to smash the unattained record of 17 consecutive victories by the Marshallites.

In previous years the Fugateers have copied only two out of ten games, but the team is having one of the better years this season, and hopes to fill the field tomorrow with the very task under its belt. Tomorrow's game is always a struggle, beginning to the end.

Weight Averages Given

Jeffs are approximately even on the scales. Tee Jay's line averages 160 lbs. and the backfield, 165. The down-town rival's line averages 160 in the backfield, and can use their weight to advantage, however, the Jeffs are expected to be a

Hope To Break Run of Losses To Petersburg

Thomas Jefferson
Downs Glass 19-6

Led by its captains Edward "Sugar" Rabson and Wallace "Beane" Traylor, the Thomas Jefferson eleven will face Petersburg at the City stadium tomorrow with the hope of avenging last year's 13 to 0 defeat.

The Jeffs are undefeated thus far in the season, the Presidents having swamped Morrison by a score of 44 to 6 here in their opening game, September 19, and having defeated a heavier Glass team 19 to 6 last Saturday on the T-J field.

Petersburg has not been quite as successful. In its first game of the season, The Wave beat Gonzaga 14 to 0, but the next week was set back at Raleigh 7 to 0. Tomorrow will be the first time the Petersburg Thomas Jefferson game has been played in the City Stadium since 1942.

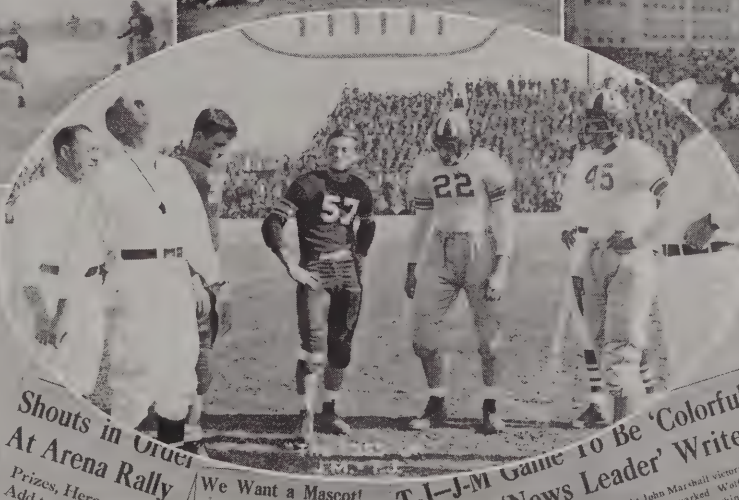

T-J Surprises Glass

Getting possession of the ball, Glass fumbled on the kick off, pushed it over the goal for the touchdown on the second play game, when quarterback Tyson had heaved in to yard-gain Clark Jones. The swift attack of the Hilltoppers also

scoreless until the last quarter. The Glassmen, during the second quarter, led for the second time. Sugar Rabson scored for Presidents before the 10 were sent in after the half. Triple-threat back McKelley then took a drive which the T-J 14-0. Running the 26 in, then passed to Bill Wood, and Sparks Blaine charged the opponent's coach score.

THOMAS JEFFERSON13

Avenging a 13 to 6 defeat at the hands of the Saints' Ashby Walthall and company a year ago, Thomas Jefferson made good its breaks and punched over two touchdowns to win 13 to 0. A stubborn Saint line held Tee-Jay scoreless throughout the first half, but the last half physical beating handed the Westhampton school proved too much. A forty-yard pass by Ervin Baughan to Jack Chandler, sub back, in the end zone accounted for the first score. Chandler calmly booted the extra point. Not until the final minutes did the Jeffs get the long awaited break that clinched the game. Harry Brown, Saint standout on offense and defense, attempting desperately to pass in the waning moments, found one of his aeriels intercepted by Calvin Marks, Teejay back. Marks put on a brilliant broken field exhibition in sprinting 35 yards to score standing up just before the final gun.

THOMAS JEFFERSON12
PETERSBURG 0

For the first time in ten years Thomas Jefferson trimmed the Cockade City boys. Spectacular runs of 44 yards and 60 yards by fleet Bill Wood set up the Presidents' scores. Wood's first gallop around right end put the ball on the Wave 20. Baughan then circled left end to the four yard line. Several plays later Baughan went over for the score. Again in the second period Wood raced 60 yards to the Petersburg 20. On the third down Baughan threw a running pass which was taken by Wood on the ten. Eluding several tacklers, he went over standing up. The last half was slow, featured only by frequent substitutions and a kicking duel between Bryant, Wave triple threat, and

Baughan of Thomas Jefferson. Petersburg did not penetrate past the Jeff 30 yard line.

THOMAS JEFFERSON 0
JOHN MARSHALL 6

Before a record-breaking crowd of 20,000, Thomas Jefferson turned in one of the best performances in the school's history. From the opening kickoff to the final gun the Presidents proved their ability under pressure by keeping the action in Justice territory for three quarters of the game. On receiving the opening kick-off the Jeffs executed a series of plays that baffled the heavier John Marshall team and penetrated deep into their territory. A kicking duel between Sieg of J. M. and Baughan of T. J., one of whose punts stopped dead a few inches from the goal line, dominated the opening periods. The Justice score came in the Third quarter when a fumble by Ralston was snatched in midair by Beal Montague, J. M. guard. Montague ran unassisted across the final stripe. The gallant Teejay line, led by Lauriault, Strotmeyer and Traylor, stymied the justices bid for a score by holding four downs on the one foot line.

THOMAS JEFFERSON25
HOPEWELL13

The final game of the season proved to be a high scoring contest, a thrilling one for those who witnessed the bow-out game for the entire Jefferson first team. Calvin Marks scored two touchdowns, one on an end run and the other on a recovered fumble in the end zone. "Sugar" Ralston and Bill Wood were the other Jeffs who figured in the scoring. Hopewell showed accurate passing. Bogese converted one to an end, who eluded safety-man Marks and raced 70 yards for a score.

THOMAS JEFFERSON19
HAMPTON 6

Hampton High's Crabbers provided the most exciting game to date showing an almost unconquerable degree of fight and power. It was an early minute score that set the Tidewater boys back on their heels. Tee-jay kicked off to Hampton. On the second play from scrimmage Rickett, Hampton star, hurled a flat pass out to his left. Alert Clarke Jones, defensive left end, snagged the ball almost before it left the passer's hand and raced unmolested for 52 yards for a touchdown. The Jeffs relentlessly pounded the rough Crabbers and registered two more scores in the final periods on plunges by Ralston.

THOMAS JEFFERSON 6
LANE 3

A surprisingly strong Lane High team forced the Presidents to put on the pressure with a last period score to overcome a 25 yard goal in the opening minutes of the game. The Lane boys continually threatened the Tee-jay goal, but our stoutest line saved disaster on every count.

THOMAS JEFFERSON 6
GRANBY 6

A heavier Norfolk team served to stall the Jeffs attack for the first time. However, the same play that defeated John Marshall in 1939, the Boys' Home Special, enabled the Presidents to tie the Granby eleven. A triple reverse followed by a lateral to Baughan and a pass to end Clarke Jones accounted for the touchdown. Granby's score came in the first period after a sustained drive of 70 yards.

BASKETBALL, 1942

The 1942 cage team, which Coach Bloxsom termed as good as his great 1938 outfit, finished the season with an enviable record of 16 wins against five losses. The Jeffs were second only to John Marshall in the Central District, defeating every other team at least once. Among the string of victories was included a 51-16 triumph over Fairfax, the highest score ever posted by a Thomas Jefferson team. The Presidents employed a fast-breaking offense and a sliding zone defense.

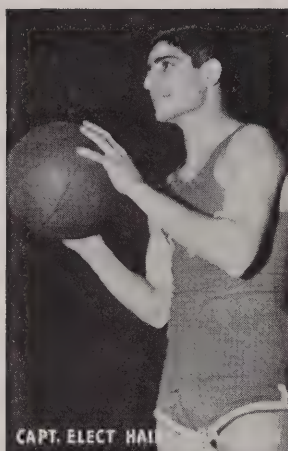

Captain Clarke Jones and Solon Cousins led the team in scoring, compiling 422 of the 700 points scored. Jones broke the city scoring record with his 279 points, an average of 13 points a game.

HOCKEY, 1941

New color was added to the hockey team during the 1941 season. Peggy Kessler was water-girl and saw to it that no one got thirsty except the opposing teams. Maybe this accounted for the successful season. Polly Russell, the captain, and Betty Fleming made all star left wing and right back respectively.

The 1 to 1 tie with Westhampton College and the 0 to 0 tie with St. Catherine's are both scores to be proud of because they are two of the toughest teams played. The Tee-Jay lassies held Farmville to a 2 to 1 win, St. Gertrude's to a 3 to 0 win, and Mathew Whaley to a 3 to 1 win. Our old rival was not defeated due to lack of the first string. They won 6 to 0. Other scores were St. Gertrude's 0, Tee Jay 3; Collegiate 1, Tee Jay 1; Petersburg 3, Tee Jay 2.

Nineteen forty-two was the most successful basketball season the Tee Jay lassies have had in years. They played an unlucky number of games, thirteen; this probably accounts for their winning only seven out of thirteen games.

The highlight of the season was the overwhelming score piled up against St. Catherine's. The final quarter showed the score to be 35 to 16. John Marshall and Westhampton College were both able to stack up big scores against Tee-Jay, 29 to 11 and 20 to 11 respectively. The 26 to 23 loss to William and Mary Ext.; the 14 to 11 loss to St. Joseph Villa; and the 26 to 21 loss to Hopewell were all heart-breakers. A few of the lassies' big scores were 31 to 10 against Petersburg; 21 to 16 against Glen Allen; 48 to 17 against Westhampton High, and 43 to 40 against Collegiate. These tight games explain why the season is considered successful in spite of losses.

Is the Seed of Success in You?

That is the question that every young man faces as the time draws near for him to enter the business world. If you are able to save money, you can succeed; if not, you will fail. You may not think so, but you will lose as sure as fate, for the seed of success is not in you. Man has two fundamental weaknesses — his inability to hang on to life as long as he desires and his inability to hang on to his material possessions. Life insurance is the only plan which is certain to offset these two fundamental weaknesses. It not only assists him to save his money but guarantees to him the safest investment and the most secure protection.

More Than a Matter of Conquest

Instrumentalities of death and destruction and brave men to operate them are not all that America requires in order to bring about adequate victory in the war now raging.

The home fires—the instrumentalities of day-to-day living—also need to be kept alive. For example, the mothers, the young people, and the aged of the civilian population should be surrounded as generously as possible with future financial security. In providing security of this kind, life insurance sets up defenses that are supremely dependable.

The Acid Test

The acid test for an annual comes when it is distributed among the student body. Then the planning of the staff, the work of the photographer, the ability of the printer, all are weighed under the exacting eyes of students who have every right to expect a year of their school life to be well recorded. ☆ Sixty-seven years' experience in meeting the acid test makes us all the more zealous to have each years' annual better than its predecessor.

To Miriam

I certainly have enjoyed
knowing you and going to
your church. Always remember
Betty Mae Smith.

On May 20, Thomas Jefferson learned, with a shock, of the resignation of its beloved principal, Ernest Shawen. Because he is leaving, we Seniors feel that we are fortunate, after all, in graduating this year, for what will Tee-Jay be like without its first principal?
